U.S. Department of the Interior
Bureau of Land Management

Launching the Bureau of Land Management's All Americans Outside Initiative

Join us as we launch the All Americans Outside initiative! The campaign is meant to help everyone enjoy public lands throughout the United States, regardless of ability. Through this initiative, we will ensure that public lands are welcoming, accessible, and inclusive for all individuals. Please join us following the event for a special stroll along the multi-use pathways, providing connections to the Moab Canyon Pathway and the Colorado River Trail.

SAVE THE DATE

FRIDAY, SEPTEMBER 25, 2026 AT 3 PM

Lions Park
Corner of U.S. Highway 191 and
State Route 128 (UT-128)
Moab, Utah 84532
On the south bank of the Colorado River

Additional details and RSVP information coming soon.

WHY ALL AMERICANS OUTSIDE

- Promote outdoor recreation and its connection to health and wellness.
- Connect more Americans to their public lands.
- Create more career opportunities for youth and veterans.
- Increase volunteer engagement to strengthen stewardship efforts.
- Expand partnerships for mission-related projects and programs.
